Vaccination Protocols

Forge Light Theatreworks is taking COVID-19 seriously and putting the safety of our community first. Like many theatre production companies around the country, FLT is requiring proof of vaccination OR a negative covid test (within 72 hours) to enter The People's Building. We will also be requiring masks to be worn at all times while inside the building.

Here's what you can expect when coming to see our COVID safe production:

There will be a table at the entrance of the The People's Building where a Forge Light representative will check your proof of vaccination or negative COVID test as well as your ID.

- a. Proof of vaccination can be: actual vaccination card, photo of vaccination card, My Colorado App, Google Pay or any other app that shows proof of vaccination.
- b. Ticketholders MUST have had both injections (or single J&J) and have cleared the 14-day waiting period for efficacy.
- c. Data on vaccination MUST match the information on ticketholders ID
- d. Proof of negative COVID test within 72 hours will be accepted.
